## About Me

Dependable Line Producer with experience in both studio and field production logistics. Adept at keeping projects on track from development to delivery with experience working with various networks like Disney, Hulu, Apple TV, ESPN, AMC, ABC, Olympic Channel Services, Roku, etc.

---

## Experience

### Senior Line Producer | XTR

June 2022 - Present

- Generate budgets, schedules, and production plans for all productions including documentary, true crime, and branded content.
- Work closely with the Head of Production and Finance to ensure all projects are staying on time and budget.
- Communicate regularly with financiers for projects with Networks like Disney, Hulu, Netflix, AMC, Etc.

### Head of Production | Mindset / DIVE Studios

August 2021 - June 2022

- Worked closely with the CEO and Chief Creatives to implement proper production and post production workflow and manage the entire production pipeline from budgeting to final delivery on documentary and podcast productions.
- Managed communications between the talent and production departments to ensure a smooth process for talent / client relations.

### Production Manager | VICE Studios

July 2020 - July 2021

- Worked closely alongside the VP of Production to manage long form unscripted content as well as unscripted development long form.
- Streamlined protocols across multiple projects
- Worked with finance on generating budgets, cost reporting, tracking margins, and cashflow, projecting costs and tracking actuals.
- Organized project management systems
- Facilitated field production work like hiring crew, booking travel, creating production paperwork including call sheets, production reports, etc.

### Production Coordinator | Refinery29

May 2018 - July 2020

- Coordinated physical production for digital content including Instagram, Snapchat, Youtube, etc.
- Coordinated physical production for branded production.
- Moved into long form content towards the end of my time with Refinery29.
